FUNDRAISING GOALS

FIDELIS FAMILY

Empowering Veteran Families

TO SPONSOR VISIT: WWW.FIDELISFAMILYRETREAT.COM OR CALL (803)360-5517

Join us in our mission to make a lasting impact on the lives of veteran families. Together, we can honor their service and sacrifice by ensuring they receive the care and support they need to thrive.

At Fidelis Family Retreat, we are dedicated to revolutionizing the landscape of veteran support by prioritizing the holistic well-being of the entire family unit. Through cutting-edge educational classes, unique support group outings, and community volunteer opportunities, we empower veteran families to thrive in their civilian lives.

Our groundbreaking support group within schools recognizes and addresses the unique challenges faced by children living with veterans, offering them the support and resources they need to flourish. Inspired by Senator Elizabeth Dole's call to action, we stand committed to ensuring that every child of a veteran receives the care, support, and childhood they deserve.

With a clear vision to nurture mental, physical, and emotional health, Fidelis Family Retreat aims to combat the national veteran suicide epidemic by strengthening families, educating communities, and fostering reintegration. Through our programs and initiatives, we are not just providing support; we are paving the way for brighter futures and stronger communities.
